

## **Play On Tabletop Schedule & FAQ**

### **What comes with the VIP ticket?**

#### **VIP PACKAGE**

Last year the VIP package included an event exclusive t-shirt (even though we are not a t-shirt company), exclusive swag, and gifts from our sponsors. This year you won't want to miss out on getting the newly designed and exclusive Hostia 2026, the final chapter, swag. Once the VIP packages are sold out we hope to work with you as early as possible to order the apparel and this should allow us to do some female fit as well.

Please note you must also purchase a pass to Game Con Canada to access the convention and this tournament.

### **Am I going to receive a player package?**
