

## Dan Osborne

**Class Title:** Grit & Grime: Grimdark Weathering with Dan Osborne

**Date & Time:** Friday June 19<sup>th</sup>, 2026 | 1:00 pm – 3: 00 pm

**Seats:** 18

**Price:** \$65 + Taxes and Fees

**Room:** 108 Located in Edmonton EXPO Centre Main Promenade

**Skill Level:** Beginner to Intermediate

### Description:

Embark on a guided journey to Grimdark Weathering with Dan Osborne in this 2-hour class. Learn weathering techniques to transform miniatures into dirty, grim, and nasty masterpieces using Enamel Washes, Streaking Grime, Dirty Down Rust, and Oil Paints. Enjoy personalized feedback and engage in a Q&A session for an immersive learning experience. Students will be provided with paints, brushes, and models to practice techniques on.

**We are excited to announce that Games Workshop is the official sponsor for this year's miniature painting classes. They are providing all models, paints and brushes. However, our instructors have made requests should you have them available.**

### Additional Materials:

All Materials Supplied

**Models: All models are subject to availability.**

**Class Title:** Rust & Ruin : Vehicle Weathering with Dan Osborne

**Date & Time:** Friday, June 19<sup>th</sup>, 2026 | 3:30 pm – 7:30 pm

**Seats:** 18

**Price:** \$125 + Taxes and Fees

**Room:** 108 Located in Edmonton EXPO Centre Main Promenade

**Skill Level:** Beginner to Intermediate

**Description:** Immerse yourself in the revival of rust and ruin with Dan Ozbörne in this 4-hour vehicle weathering immersion. Learn techniques for creating dirty, grim, and nasty-looking vehicles, employing physical weathering, mud layering, and a variety of weathering products like oils, enamels, dirty down rust, and weathering pigments. Receive guided instruction, personalized feedback, and take part in a Q&A session for a hands-on learning experience. Ideal for beginner to intermediate painters, the class provides essential supplies and a Space Marine vehicle model for hands-on experimentation..
