

## Oscar Lars

**Class Title:** Painting Skin with Oscar Lars

**Date & Time:** Friday June 19<sup>th</sup>, 2026 | 10:30 am – 12:30 pm

**Seats:** 16

**Price:** \$65 + Taxes and Fees

**Room:** 109A Located in Edmonton EXPO Centre Main Promenade

**Skill Level:** Beginner to Intermediate

**Description:** Join artist Oscar Lars for a class focused on painting skin. Take your skin from basic "skin tones" and introduce a more comprehensive palette for your miniatures. This class features both a short lecture on the basics of figure painting skin and a hands-on exercise to put what you've learned to the test.

**We are excited to announce that Games Workshop is the official sponsor for this year's miniature painting classes. They are providing all models, paints and brushes. However, our instructors have made requests should you have them available.**

### **Additional Materials:**

All Materials Supplied

**Models: All models are subject to availability.**

**Class Title:** Army Painting with Oscar Lars

**Date & Time:** Friday June 19<sup>th</sup>, 2026 | 3:30 pm – 6: 30 pm

**Seats:** 18

**Price:** \$80 + Taxes and Fees

**Room:** 109A Located in Edmonton EXPO Centre Main Promenade

**Skill Level:** Intermediate

**Description:** Elevate your army painting with multi-award-winning artist Oscar Lars. In this immersive class, Oscar brings nearly 20 years of professional commission-painting experience to teach you how to make your armies stand out on the table. You'll learn key techniques including local and overall contrast, creating strong focal points, clever color-theory shortcuts, and more.

This class blends an engaging lecture with hands-on painting time, so you can immediately put new ideas into practice. You'll also receive brief, personalized feedback along the way, helping you refine your process and paint with greater confidence and efficiency.

**We are excited to announce that Games Workshop is the official sponsor for this year's miniature painting classes. They are providing all models, paints and brushes. However, our instructors have made requests should you have them available.**

**Additional Materials:**

rushes (at least one large base coat brush and one size 1 detail brush.) Additional lights, glasses, or any tools to increase your success in class.

**Models: All models are subject to availability.**

**Class Title:** Painting Industrial & Sci-Fi Basing

**Date & Time:** Saturday June 20<sup>th</sup>, 2026 | 1:00 am – 3:00 pm

**Seats:** 16

**Price:** \$65 + Taxes and Fees

**Room:** 108 Located in Edmonton EXPO Centre Main Promenade

**Skill Level:** Beginner to Intermediate

**Description:** Join artist Oscar Lars for a class focused on leveling up your industrial basing. From simple and effective rust effects to hazard markings and chipping effects, this class teaches you to make your basing look great with speed. The class features both a short lecture and comprehensive hands on painting with guidance from Oscar.

**Class Title:** Color Theory for Miniature Painters

**Date & Time:** Saturday June 20<sup>th</sup>, 2026 | 3:30 am – 6:30 pm

**Seats:** 18

**Price:** \$80 + Taxes and Fees

**Room:** 108 Located in Edmonton EXPO Centre Main Promenade

**Skill Level:** Intermediate

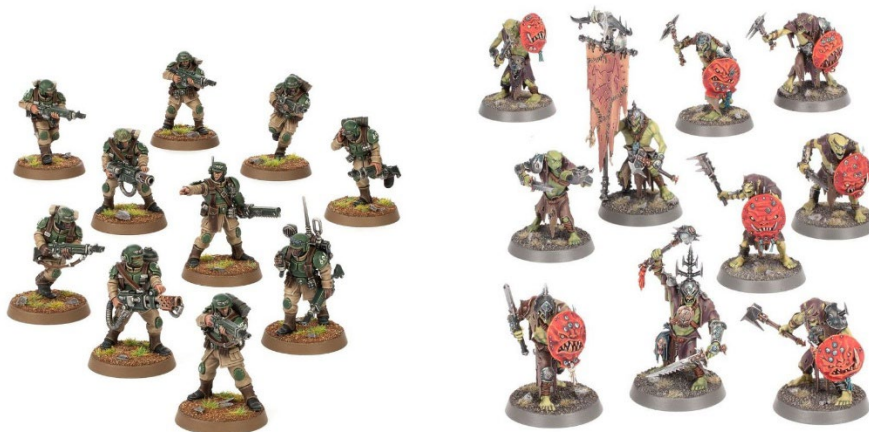

**Description:** Unlock the power of color with professional artist Oscar Lars in this comprehensive color theory class for miniature painters. Drawing on years of professional experience, Oscar breaks down the most important principles of color theory in a clear, practical way, showing you how to create impact and contrast through hue, temperature, value, and chroma. The class combines an engaging lecture with a fun, hands-on exercise that puts your new knowledge to the test, helping you translate theory into practical painting skills.

**Class Title:** Back to Basics of Miniature Painting with Oscar Lars

**Date & Time:** Sunday June 21<sup>st</sup> , 2026 | 1:00 pm – 3: 00 pm

**Seats:** 18

**Price:** \$65 + Taxes and Fees

**Room:** 109 Located in Edmonton EXPO Centre Main Promenade

**Skill Level:** Intermediate

**Description:** Whether you're just getting started or looking to tighten up your fundamentals, this class is designed to level up your miniature painting. Join professional miniature painter Oscar Lars for a clear, confidence-building session focused on the core techniques that great paint jobs are built on.

You'll cover essential skills like base coating, layering, edge highlighting, and basic dry brushing—learning not just how to do them properly, but when and why to use each technique. Beginners will gain a strong, approachable foundation, while intermediate painters will refine their process, improve consistency, and walk away with cleaner, more efficient results.
